## **Security And Data Protection In 2020: Law Enforcement And Legal Perspectives On Cyber and Physical Protection Of Company Assets**

*Hear from leading law enforcement, investigative, and legal professionals about the latest cyber-attacks, financial crimes, corporate security challenges, prevention and counter-breach techniques, and liability mitigation and remedies when attacks occur.*

### **LOCATION**

The Skirball Center  
Los Angeles, California

### **DATE**

Wednesday  
October 23, 2019

### **AGENDA**

#### ***REGISTRATION AND BREAKFAST***

*7:45-8:30*

#### ***INTRODUCTORY REMARKS***

*8:30-8:45*

**Patricia L. Glaser**, Glaser Weil LLP Partner

#### ***CYBER AND DATA CRIME 2020***

*8:45-10:00*

*Law enforcement, industry experts, and prosecutors will cover what can be expected in 2020 from criminals intent on stealing your most vital assets, latest techniques and best practices that can be employed to protect against corporate data and intellectual property theft, and liability exposure and mitigation from cyber-attacks.*

- *Phishing, spoofing, web application, distributed denial of service, backdoor and supply chain attacks and countermeasures.*
- *DNS Monitoring*
- *Mobile devices and laptop security both home and away.*
- *Employee theft.*
- *New liability under California Consumer Privacy Act.*

Moderator:

**Lawrence M. Hadley**, Glaser Weil LLP Partner

Speakers:

**Aristedes Mahairas**, Special Agent in Charge, Federal Bureau of Investigation Cyber Division, New York, New York

**Mike Herrington**, Assistant Special Agent in Charge, Federal Bureau of Investigation, Cyber and Digital Forensics, Los Angeles, California.

**Alexander J. Urbelis**, Blackstone Law Group, New York, New York.

**Sean Kadarabek**, Senior Manager, Digital Forensics, Freeh Group International Solutions, LLC

### ***CYBER-SECURITY DEMONSTRATION***

*10:00-10:30*

*Demonstration of various modern cybercrime schemes and DNS attack prevention techniques described in morning panels.*

Speaker:

**Alexander J. Urbelis**, Blackstone Law Group, New York, New York.

### ***BREAK***

*10:30-10:45*

### ***FINANCIAL CRIME AND PREVENTION IN 2020***

*10:45-12:00*

*Law enforcement, prosecutors, and financial experts will cover latest in financial and monetary crimes and what can be expected in 2020, detection and prevention of financial crimes, and potential liability resulting from financial crimes.*

- *Money laundering*
- *Embezzlement schemes*
- *Securities fraud*
- *Pyramid schemes*

Moderator:

**Mike Welch**, Managing Director, Cyber Security/ Investigations, Freeh Group International Solutions, LLC

Speakers:

**Jim Barnacle**, Chief, Money Laundering Unit, Federal Bureau of Investigation, Washington, D.C.

**Richard Alexander**, Special Agent in Charge, Federal Bureau of Investigation, Financial Crimes Division, Los Angeles, California

**Kerry Quinn**, Assistant U.S. Attorney, Central District of California, Major Frauds Division, Los Angeles, California

### *LUNCH*

*12:00-1:15*

*Keynote Address*

Speaker:

**Hon. Louis Freeh**, Freeh Law Group and Freeh Group International Solutions, LLC (formerly U.S. District Court Judge, Southern District of New York and Director, Federal Bureau of Investigation, Washington, D.C.)

### *PHYSICAL SECURITY IN CORPORATE OFFICES AND WHEN TRAVELING ON CORPORATE BUSINESS OR VACATION*

*1:15-2:15*

*Law enforcement and security experts discuss lessons learned from events in Paris, Manchester, Las Vegas, Virginia Beach, El Paso, and Dayton—all grim demonstrations of the vulnerability of corporate offices and sponsored events to violent acts. Anywhere people gather in a confined space there is an opportunity for mass casualties. Learn about how to minimize these risks and resources available in an emergency.*

Moderator:

**Fred Heather**, Glaser Weil LLP Partner

Speakers:

**Eric Velez-Villar**, Vice President Disney, Global Security and Sensitive Information Protection

**Brian McClary**, NHL Security Representative, Los Angeles Kings Hockey Club

**Matthew Dolan**, Managing Director, Freeh Group International Solutions, LLC

**Timothy P. Flynn**, Managing Director, Freeh Group International Solutions, LLC

### *NETWORKING RECEPTION*

*2:15-3:00*
